## Abrasives' Wholesalers & Distributors of Quality Abrasives and Related Products

**ABRASIVES'S HOME** is a leading distributor of high-quality industrial abrasives in the world. It produces abrasives in high-quality and favorable prices to meet the needs of woodworking, metalworking professionals and DIY people all the time. In addition, we also provide a wide variety of specialty abrasives to other top manufacturers. At present, we have been established friendly and cooperative relations to hundreds of companies and organizations around the world, and our consumers spread all over the world. We are proud to provide customers with high-quality abrasives at extraordinary prices through the online platform we use.

### Intellectual Property Rights

In the event of any concerns or complaints about possible violation of intellectual property rights. Please send us an email at [lp@whosebilling.com](mailto:lp@whosebilling.com), identifying with specificity the rights alleged to be violated and the accused product(s). (This email address is just for intellectual property rights and legal issues. Other requests may not get response.)

### Return Policy Cancellation

We accept order cancellation before the product is shipped or produced. If the order is canceled you will get full refund. We cannot cancel the order if the product is already shipped out.

### Returns (if applicable)

We accept return of products. Customers have the right to apply for a return within 14 days after delivery the product.

To be eligible for a return, your item must be unused and in the same condition that you received it. It must also be in the original packaging. To complete your return, we require a receipt or proof of purchase. Please ask our customer service to make sure you send the package to the right address.
