How to start a meeting on Skype for Business?

After connecting your eMeet Luna to the computer, you can start your meeting on Skype for Business as the following steps.

1. Click the lower left button to **select your primary device**.
2. Or click the **audio device settings** to enter the setting interface.
3.

3. Select the "Audio Device" option, set the microphone and speaker to “Echo cancellation speakerphone eMeet Luna”.
