1. Basic computer setup

Step 1: Click on Apple Logo in top-menu bar and select System Preferences in the drop-down menu.

Step 2: On System Preferences screen, click on the Sound tab.

Step 3: On the next screen, switch to Input tab

Select your Maonocaster E2 from the list and make sure the input volume is set to the maximum level.

Contact: support@maono.com

After setting, input level will show you the input sound level
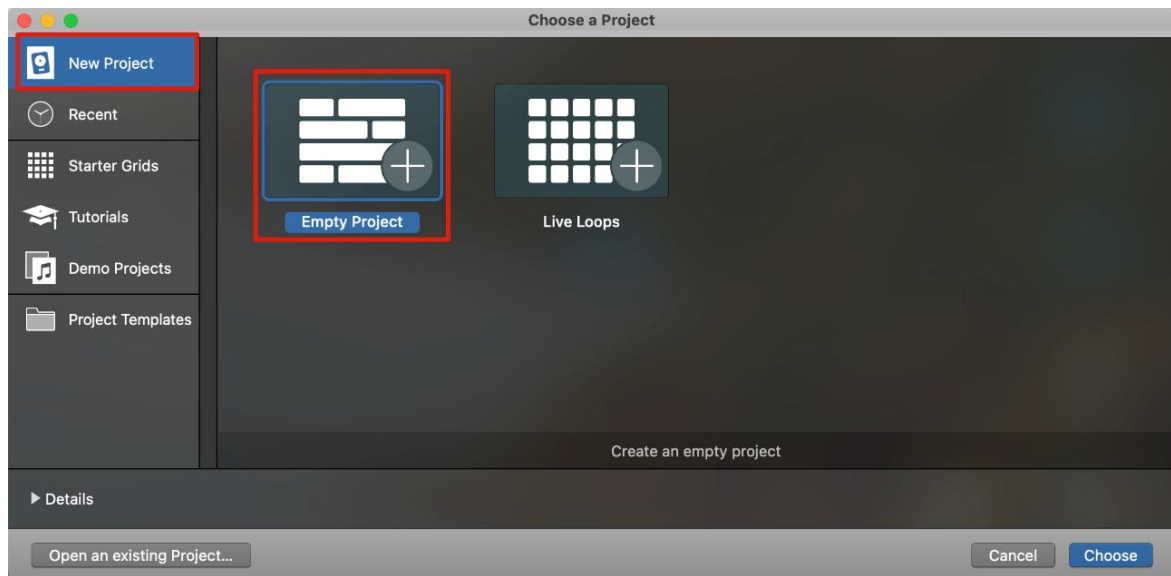

maono

Click on the output tab

Select Maonocaster E2 as the sound output
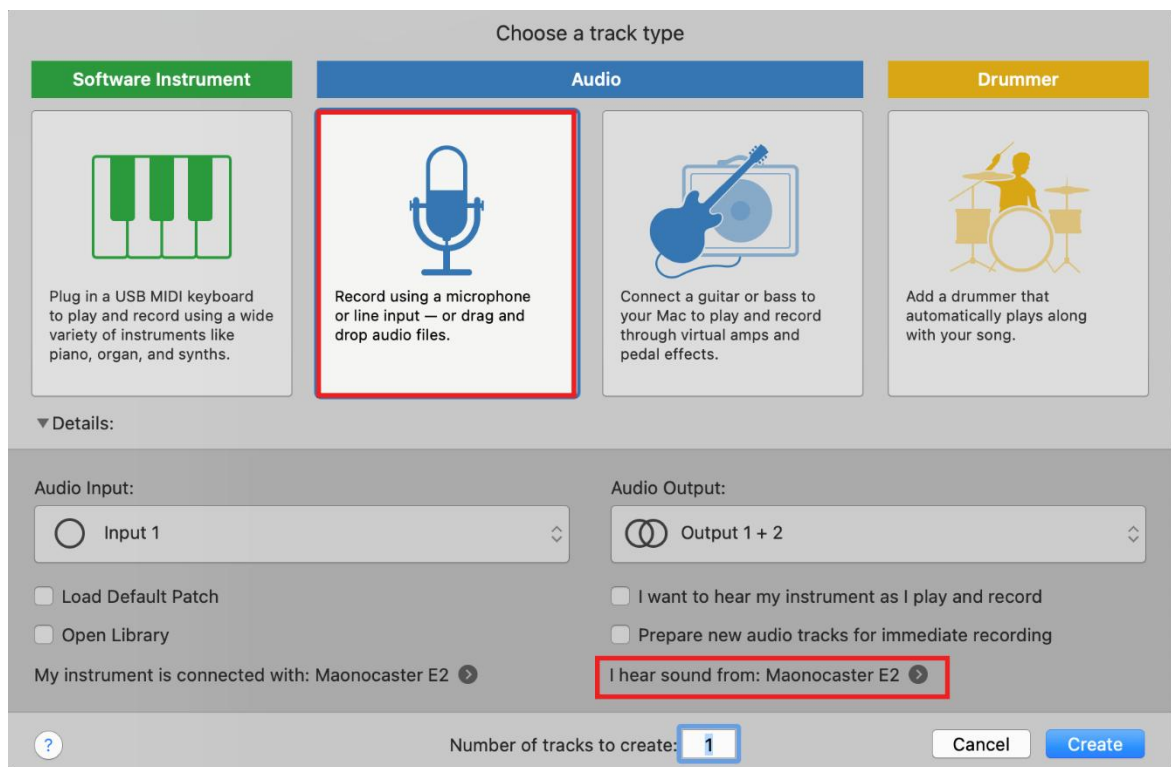

Adjust to maximum at output volume level
