2. Software Audio Settings

After Maonocaster E2 is set up on the PC, how to set it in common software?

(Take Adobe Audition, OBS, DISCORD, ZOOM, AUDACITY, Twitch as

examples.)

Notice: If you set the Maonocaster E2 as the default device in the software

settings, it is still useless, you need to set it again!

Adobe Audition:

STEP 1: Open Adobe Audition and navigate through the menu to

Edit > Preferences--> Audio Hardware

STEP 2: Please select the device as Maonocaster E2 for Default input and Default output.
