|		
Product Introduction	1. Support real-time management and release on mobile, iPad and PC 2. Support remote upgrade of advertising player software version and OTA upgrade 3. Support the advertising machines in the same group can be played synchronously and the synchronization interval is less than 500ms 4. Support the mobile phone to remotely set the properties of the advertising player, control the volume, rotation angle, time zone, turn off and turn on the advertising player 5. Support remote monitoring of the network status, system status and hardware status of the advertising player, and monitor the content of the advertising player 6. Support the needs of multiple forms of rolling subtitles and bullet screens, the font, size and content of subtitles and bullet screens can be edited 7. Scheduling supports multiple priority levels, and supports shim/normal/interrupt/emergency message priority 8. Scheduling supports multiple recurring modes, recurring by day/week/month 9. It can support multiple media such as video/picture/marquee/subtitle/RSS/component/ppt/pdf 10. Support self-built template mobile phone one-key call to modify at any time	
Display parameters	Model	15.1"
	Panel Type	a-Si TFT-LCD
	Display area	374.78mm(H)x64.5mm (V)
	Display Proportion	3：1
	Resolution	1280X235
	Display Color	16.7M
	Dot Pitch	0.630(H)×0.630 (V)
	Brightness	600CD
	Contrast	1500：1
	Viewing angle	178°
	Response Time	8ms
	Refresh Rate	60Hz
	Manual Language	Chinese/English
Display Interface	Video Interface	NA
	Audio interface	N/A
	Other	N/A
System Parameters	CPU	ARM Corter-A35 Quad core
	DDR	1G DDR3
	Flash	8G EMMC
	Wifi	2.4G WIFI
	Bluetooth	N/A
	Network Card	N/A
	Interface support	TF Card×1/OTG×1/Type-c×1
	System Version	Android 8.1
Power	Input Voltage	～AC 100-240V 50/60Hz
	Maximum power	25W
	Standby power	≤0.1W（Board only）
Other	storage temperature	-20--60°
	Amplifier power	1×1.3W
	Product Size	402.58×91.8×26.2mm
	Pakage Size	
	Product Weight	1.3KG
Attachment	Remote Control	N/A
	AC power adapter	AC 12V/2A
