

USER'S MANUAL HOW TO USE FOLDABLE INSULATED BAG

USE INSTRUCTIONS

BEFORE USE, PLEASE READ THE FOLLOWING INSTRUCTIONS.

- Return the product once you find anything wrong (any tears, broken parts or other defects) with it, remember don't use or wash it, or else it will be non-refundable.
- Before and after every use, please check and clean the bag with cautions to avoid lasting stains or other corrosion.
- For storage, please put the insulated bag away in dry and well-ventilated places for convenience and long-term use.
- Measurement and capacity: The overall dimensions are 11" x 8.6" x 11"/ 28 x 22 x 28 cm (L x W x H), which can hold up to 24 cans (330 ml) or 12 bottles of drinks. (500ml/17oz).
- Design: The bag comes with 2 x 0.37kg ice packs and a bottle opener. With several pockets – a front zip pocket, two side mesh pockets and a back pocket.
- Inappropriate use of the bag may result in terrible consequences. ARTEESOL is not responsible for any problems deriving from product misuse.

KEEPING WARM & COOL

The bag aids cooling food, drinks, fruit or other items that need to be cooled, can be used for beach, car trips, excursions, shopping, picnics and hikes etc. Besides, with good insulating material, this bag can be quite suitable for keeping warm.

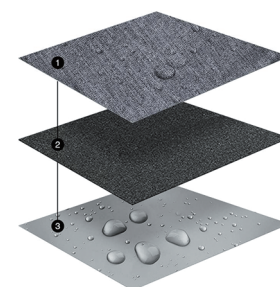

MATERIAL INSIDE

The interior part of the bag is made of durable aluminum foil. Several pockets are designed to meet different needs, including convenient front and back pockets, side pockets and inner mesh bag.

OUTER MATERIAL

The ARTEESOL Insulated Bag's exterior material is made of three plies, which are tough, stain and water resistant, and the bag can be cleaned quite easily. The outer part will not crack over long-term use.

SEAMLESS FOIL

The inner aluminum foil is seamless design, making the whole bag gives high leakage-proof performance, which is different from traditional ways of stitching. With the seamless design, the bag helps preserving heat and cool better.

PORTABILITY AND VERSATILITY

Quick access to food, drinks and a zippered pocket for napkins, cutlery and cell phones etc. It is of high portability with adjustable shoulder strap and strengthened handles. The bag is suitable for picnic, fishing, camping, barbecue, beach use, car trips, excursions, shopping and hikes etc.

Thank you for choosing ARTEESOL Insulated Bag. Our aim is to provide you with high-quality products and after-sales services. If you feel satisfied with the bag, please give us favorable comments. We'll keep trying our best in the future to make our products and services even better.

Yours Gratefully
ARTEESOL
