S101 Pro firmware upgrade steps
NEEWER®

1 1. Download the update file "update.bin" (version V102) to your computer.

update.bin
BIN 文件
23.5 KB

2 2.Prepare a USB flash drive and a USB-C to USB OTG adapter. And copy the firmware to the USB flash drive (keep only one .bin file in the USB flash drive) .
3 3.In the shutdown mode,plug the USB flash drive into the Type-C port with the adapter, press and hold the " ● " button to power on the light. Once the upgrade is completed, the light will automatically go back to the normal user interface.

S101 Pro 固件升级步骤

NEEWER®

1 1. 下载升级固件"update.bin（版本：V102）"到电脑。

update.bin
BIN 文件
23.5 KB

2 2. 准备U盘和OTG适配线（U盘格式须是"FAT32"），再将固件拷贝到U盘(同时确保U盘里只有一个.bin文件）。

3 3. 在关机状态下，插入U盘，按住 灯设备上的" ● "按键，打开灯设备电源开关。升级完成后，灯设备会自动跳转到正常工作界面。
