Name: Cayman foldable bathtub

Item no.: BH327

Suitable: 0-36 Months

Maximum weight : 20kg (44lbs)

INSTRUCTION

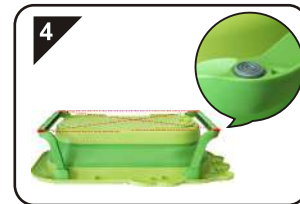

Turn the bathtub upside down on a level surface.

Unfold the legs of bathtub.

Unfold the support legs firstly, then press the bathtub to expand the foldable part.

All four feet have non-slip foot pads, with good anti-slip effect.

Notice: There is a click sound when the legs are unfolded correctly.

Notice: Please do not damage or pull out the anti-slip pad, so that the anti-slip effect of the bath will disappear.

WARNING

Read all instructions **before** use of product.

Keep instructions for future use.

Maximum weight : 44lbs (20kg)

Suitable : 0-36 months

Drowning Hazard: Babies have **drowned** while using infant bath tubs.

To prevent drowning:

- **Stay** in arm's reach of your baby.
- Use in **empty** adult tub or sink.
- Keep drain **open** in adult tub or sink.

Fall Hazard: Babies have suffered **head injuries** falling from infant bath tubs.

To prevent falls:

- Place tub **only** on flat floor for safe use.
- **Never** lift or carry baby in tub.

Please follow all of these instructions to ensure the safety of your child. Please use it under adult care and do not leave the child alone to prevent drowning.

Before bathing the child, please check the water temperature with your hands to prevent scalding the child. Water temperature should be between 90 and 100°F (32.2 and 37.8°C).

Except for bathing, please do not use it for other purposes. If any part of the bathtub is damaged or missing, do not use it.

▲WARNING: Always place the product on a level surface and a safe position.

▲WARNING: Use it under adults supervision. Keep children from sitting on this product by themselves.

▲WARNING: Make sure the product is steady before use.

▲WARNING: Do not put the product under the sun or in frozen place.

▲WARNING: This product is not a toy. Do not play or throw with it.

▲WARNING: Do not leave your kid to use the bathtub alone.

▲WARNING: Please do not add water that is too hot, and keep children away from hot water that is too hot if the basin is filled with hot water.

▲WARNING: Never rely on a toddler or preschooler to help your baby or alert you to trouble. Babies have drowned even with other children in or near bath tub. Babies can drown in as little as 1 in. of water . Use as little water as possible to bathe your baby.

▲WARNING: This product is only used for children or pets bathing, do not fill other liquids, especially corrosive liquids.

▲WARNING: Adult assembly required.
