Mobile Cabinet

BUY 1 @ \$1,205.00 each

Our stainless steel Mobile Cabinet is beautifully and ergonomically designed using laser cutting technology.

It is protected with a special stainless steel nanometre coating that provides a long-lasting, ultra thin protection and easy-to-clean surface.

An anti-shock material is added within the body to reduce noise and for a greater stability. It is also fingerprint-resistant.

Comes with a strip of silicone barrier to prevent items from falling off the glass counter.

Comes with a Cabinet Tray Insert.

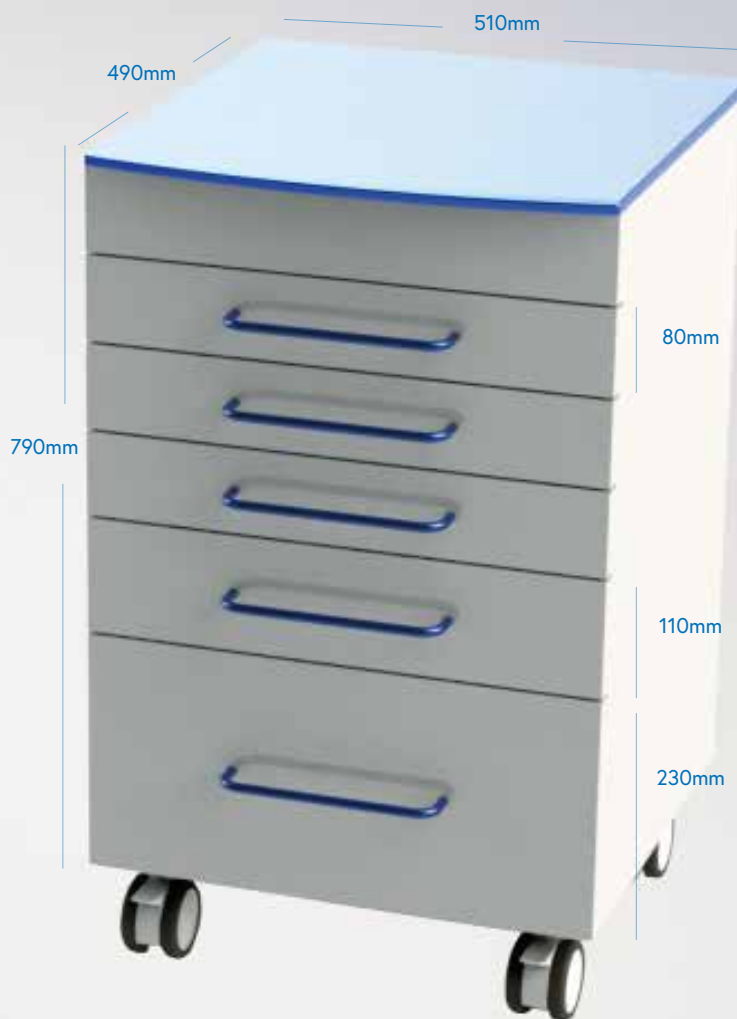

The work surface counter is a 12mm thick tempered glass to prevent corrosion.

It has five soft-close drawers. The drawer organisers can be changed and configured to suit your needs.

It has brakes on the two 3" front easy glide wheels and two 3" easy glide back wheels.

Size: 510mm (L) x 490mm (W) x 790mm (H)
