# INSTALLATION INSTRUCTIONS

**Step 1.** Check carefully if all parts are included in the package.

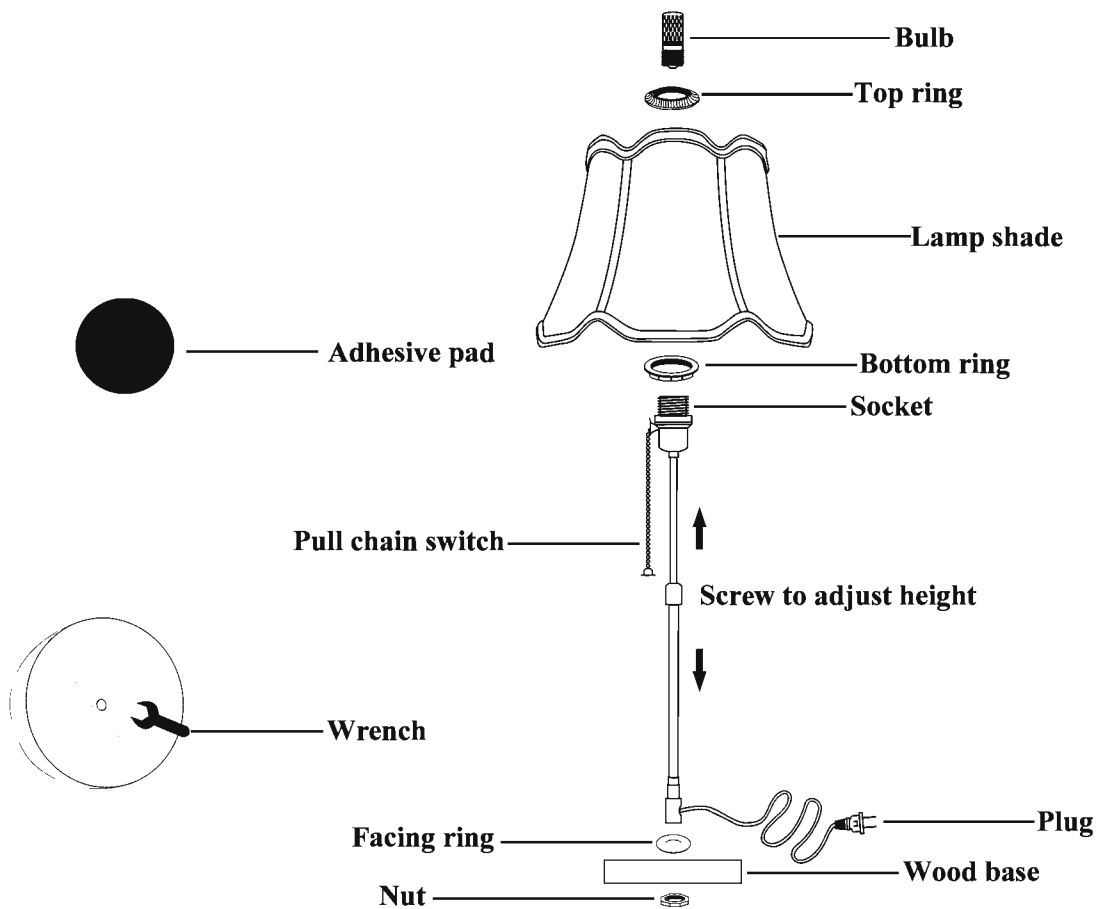

**Step 2.** Put the facing ring on the wood base, hole to hole. Insert the lamp bar into the hole. Reverse the base, clockwise and vertically screw the nut by using the provided wrench to stabilize the lamp bar. Please ensure the nut is tightened enough to avoid lamp wobbling or falling.

**Step 3.** Put bottom ring onto the socket. Place lamp shade on bottom ring. Then clockwise screw top ring until the shade is firmly clamped.

**Step 4.** Put bulb into the socket and clockwise rotate.

**Step 5.** Plug the lamp to an outlet and change 3-level light color with pull chain.

**Step 6.** We also offer you a piece of adhesive pad to paste on the bottom of base to enhance stability.
