

2020 AKC Most Popular Dog Breeds

(Based on 2019 Stats)

The most popular dog breeds of 2019 were released on May 1, 2020 (also National Purebred Dog Day) based on 2019 AKC registration statistics.

It may come as no surprise that the Labrador Retriever takes the top spot for the 29th year in a row, but other big movers and shakers include the Pembroke Welsh Corgi, which broke into the top 10 this year for the first time ever. Other notable changes include the Icelandic Sheepdog, which jumped up 24 spots since last year.
