# SPECIFICATION SHEET

## DESCRIPTION

Like beads on a cord. Perfect, round glass beads that spread a reflective, shiny light into the room. The light from the Orb hanging lamp creates an exclusive atmosphere that looks stringent, but also liberating nonchalantly. The combination of brass and glass gives your interior an industrial touch.

Cantilevered ropes connect glass balls in all directions along a line to create a visually compelling display. Vertical or horizontal versions are available. Show above your hallway or table. If you need a black light body, please contact us.
