

N15 WIRE-FREE SECURITY CAMERA QUICK START GUIDE

• APP SET UP • LIVE VIEW & PLAYBACK • ALEXA SET UP

APP SET UP

- Power On the camera by pressing the Power Button for 3 seconds (If you are not setting up the camera for the very first time, press the Reset button instead for 5 seconds until you hear a beep.)
 
- Please download the LaView App from the App Store or Scan the QR Code below. LaView App is available for both iOS and Android OS. Search the name 'LaView', in App Store or Google Play. (The other LaView apps, such as LaView Connect, LaView ONE, LaView Life do NOT support N15 camera)

- Make Sure Your Phone Is Connected To A 2.4ghz Wifi Network
 
- Complete the app registration process

- Click on the '+' sign to add the camera. Continue to click "Video Surveillance">"Smart Camera"
 
- Wait until the LED indicator is flashing rapidly, which means the camera is ready for pairing
 

- Enter the WiFi Password to generate a QR code that carries your WiFi information

Living Room Change Network

••••••••

OK
- Use the camera to scan the QR code on the phone (keep the camera 6-8 inches away from the phone)
 

- The camera will beep when it receives the QR code. Press 'I heard a Prompt' then. The camera will start pairing

No Prompts

I Heard a Prompt
- Wait until the camera is connected online and finish set up

laviewusa@gmail.com

••••••••

Link Now
- Tap 'Authorize'

Alexa by Amazon will be able to:
Receive your public profile
Control your devices over internet

Authorize
- Tap 'Done' after the LaView APP is linked to the LaView Skill.

Done skills-store.amazon.com
- Tap 'DISCOVER DEVICES'

CANCEL

DISCOVER DEVICES
- Wait until the Alexa APP discovers the LaView camera. Check the following if Alexa repeatedly fails to discover the camera.
 - A. Ensure the LaView camera, the Alexa device and your phone are connected in the same Wi-Fi network.
 - B. Ensure the LaView camera is powered on and set up in the LaView APP.
 - C. Ensure the Alexa device, such as Echo Show, is set up and connected.
 - D. Ensure the camera is added to the LaView account that is linked to the LaView Skill in the Alexa APP
- You can now tell your Echo device to show the camera feed by calling 'Alexa, Show Baby Room'. You can change and update the camera name in the LaView APP camera menu. (Refer to Step 3)
 

"Alexa, show me the baby room"
