# WHEN YOU TRY IT, YOU WILL LOVE IT!

“ First the box it came in was great, I love it. I love the induction heating. You can get quick and efficient use out of it. Once I got the hang of it, it's been my preferred erig when I'm home. The SiC bucket is great. It's my first and I can't believe how much better it is for concentrates in my opinion. ”

“ I would definitely urge you to try one. I enjoy it more than my RIO. ”

“ It's got a fast heat up time. A amazing battery. Super easy to set up and use. Easily a everyday use device for anyone. It's pretty awesome. ”

“ Tried it last night for the first time, worked great. Out of curiosity I also used it to heat a Vapcap, works as good as any induction heater. ”

“ Everything about this device is perfect the ease of use as well as the heat up time. ”
