

C.C.Rider Seat

Installation Instruction

Part Number: S03

WARNING

Rider and passenger safety depend upon the correct installation of this kit. Improper installation of this kit could result in death or serious injury.

NOTE

When performing the following installation procedures, avoid scratching painted surfaces (fender, tank, etc.) with tools or metal seat tabs.

INSTALLATION

1. Remove the existing seat from the motorcycle. Keep lock washer and screw.
2. Remove existing grab strap and all attaching hardware.
3. Install new grab strap onto the motorcycle at same location old grab strap was removed (re-use existing hardware).
4. Position new seat on the motorcycle. Be sure the bracket in the front of the seat fully engages the seat mounting tab on the frame.
