## ADAPTOR DATASHEET

## 2.4MM(FEMALE)-G3PO(MALE)

## 2.4/G3PO-KJ

## \*Dimensions are in mm

| Configuration                                |                                                  |  |
|----------------------------------------------|--------------------------------------------------|--|
| Connector 1 Type                             | 2.4mm Female                                     |  |
| Connector 1 Impedance                        | 50 Ohms                                          |  |
| Connector 1 Polarity                         | Standard                                         |  |
| Connector 2 Type                             | G3PO(SMPS) Male                                  |  |
| Connector 2 Impedance                        | 50 Ohms                                          |  |
| Connector 2 Polarity                         | Standard                                         |  |
| Connector Mount Method                       | None                                             |  |
| Adapter Body Style                           | Straight                                         |  |
| Frequency Insertion Loss (dB)                | DC to 50 GHz ≤ 0.05 xSqt.(f_GHz)                 |  |
| Electrical Specificatio                      |                                                  |  |
| . ,                                          | ,                                                |  |
| VSWR /Return Loss                            | 1.30 to 50 GHz                                   |  |
|                                              |                                                  |  |
| <b>Materials Informatior</b>                 | 1                                                |  |
| Materials Information Center Contact         | CuBe Gold Plated                                 |  |
|                                              | -                                                |  |
| Center Contact                               | CuBe Gold Plated                                 |  |
| Outer Contact                                | CuBe Gold Plated Stainless Steel                 |  |
| Center Contact Outer Contact Body            | CuBe Gold Plated Stainless Steel Stainless Steel |  |
| Center Contact Outer Contact Body Dielectric | CuBe Gold Plated Stainless Steel Stainless Steel |  |
