How to change the setting of the printer, and how to define label size (Preview)

Step 1. Now you can print a Sample 4x6 label PDF file to test the printer. (You can also open "Sample.pdf" file in download driver file), Select "File"-> "Print".

Step 2. Select the paper size "TP01001-1" or 4 * 6 (TP01001-1 is the model of the Inateck direct thermal paper that comes with the product, whose size is 4 * 6 inches).
