

USER MANUAL

Sensley S01

01

Read before use

Thank you for choosing our hearing devices!
Before using the device, please read the following matters carefully.

1. Application: The hearing device is intended to amplify and transmit sound to the ear and thereby compensate for mild to severe impaired hearing.
2. Before using your hearing device for the first time, it is recommended that you charge it for 2 hours.
3. The hearing device apply without earplugs.
4. Use 4-8 weeks to adapt quality sound with your new hearing device. The more you wear them, the more comfortable your ears feel it.

Maintenance

Keep your hearing aid and charger case clean. Heat, moisture and foreign substances can result in poor performance.

1. Wipe daily with tissue.
2. Clean regularly with cleaning brush to remove debris. Use the cleaning brushes to remove debris blocking the microphone.
3. Avoid physical shock like dropping your hearing aids on a hard surface.
4. Avoid exposure to moisture or heat and store in a cool, dry place.
5. Never use water, solvents, cleaning fluids or oil to clean your hearing aid.
6. Charging contacts should always be kept clean and dry.
7. Do not take apart your hearing aids or insert the cleaning tools inside them.
8. When not in use, place your hearing aids in the charger case to store.
9. Away from direct sunlight or heat to avoid extreme temperatures.

09

	Something interference	Don't put the finger, mobile phone or other things close to the microphone on the device

11

Technical parameter

Product Parameters	
Maximum Sound Output	≤115dB+3dB
Average Sound Output	113dB±4dB
Maximum Sound Gain	35dB±5dB
Average Sound Gain	30dB±5dB
Equivalent Input Noise	≤29dB+3dB
Frequency Range	200Hz~5000Hz
Total Harmonic Wave Distortion	≤5%
Battery	Lithium battery
Working Current	≤5mA
Single Device N.W.	3.45g (0.008lb)

12

Working Conditions

- a) The Environment Temperature: -10℃~40℃
 - b) Relative Humidity: ≤80%
 - c) Atmospheric Pressure: 86kPa~106kPa
 - d) Operating Voltage: DC 3.7V
- Device Safety Level: ⚠ Type B Applied Part
