

How to make a card using City Buildings Cutting Dies

Let's start!

Take out your prepared City Buildings Cutting Die

Step 1:

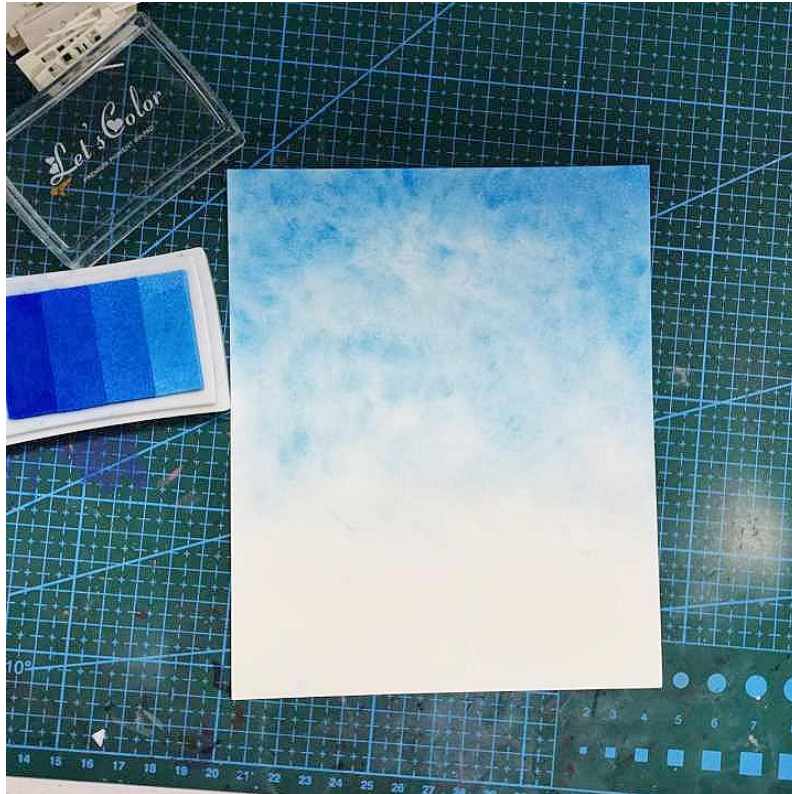

Cutting out the shapes of city buildings with a cutting machine

Step 2:

Prepare a white cardstock and color it with ink pad

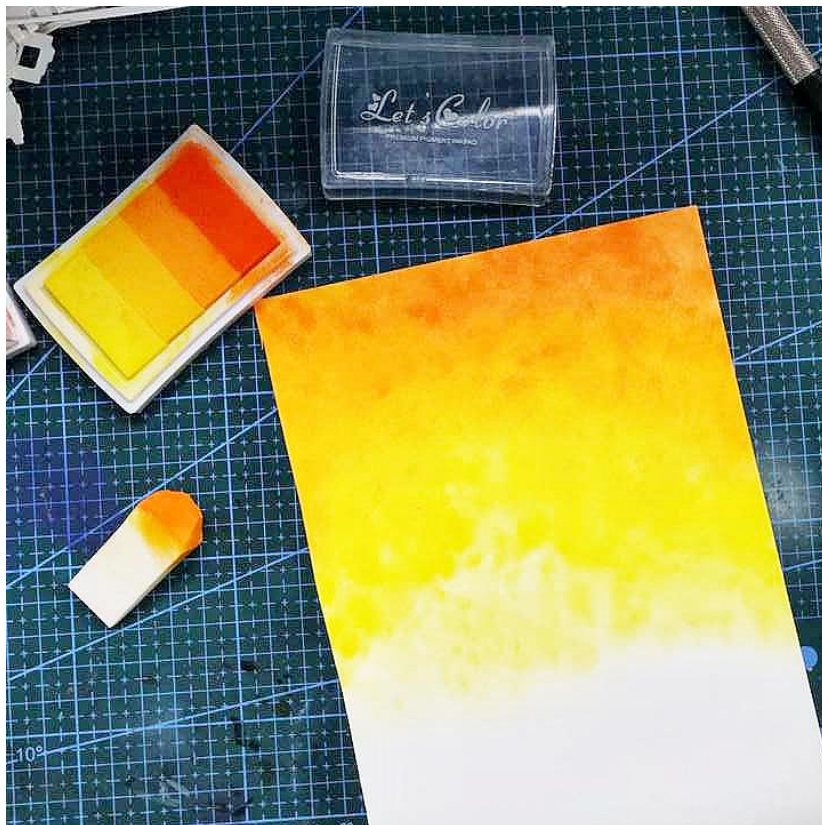

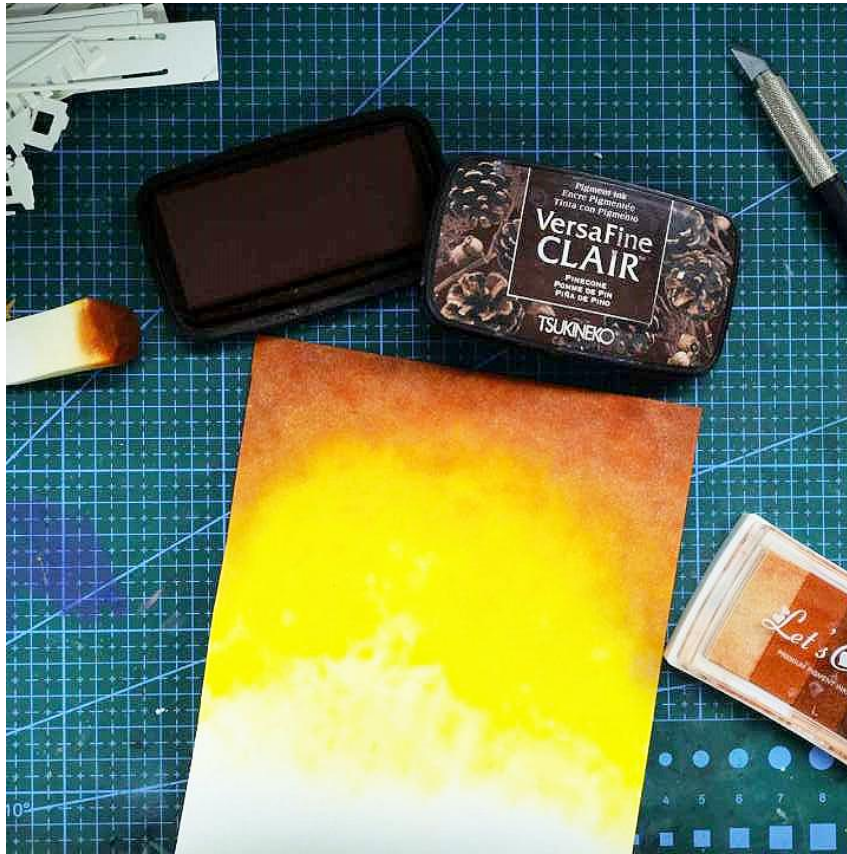

Step 3:
Use a marker to outline and color in the shape of the cloud

Step 4:

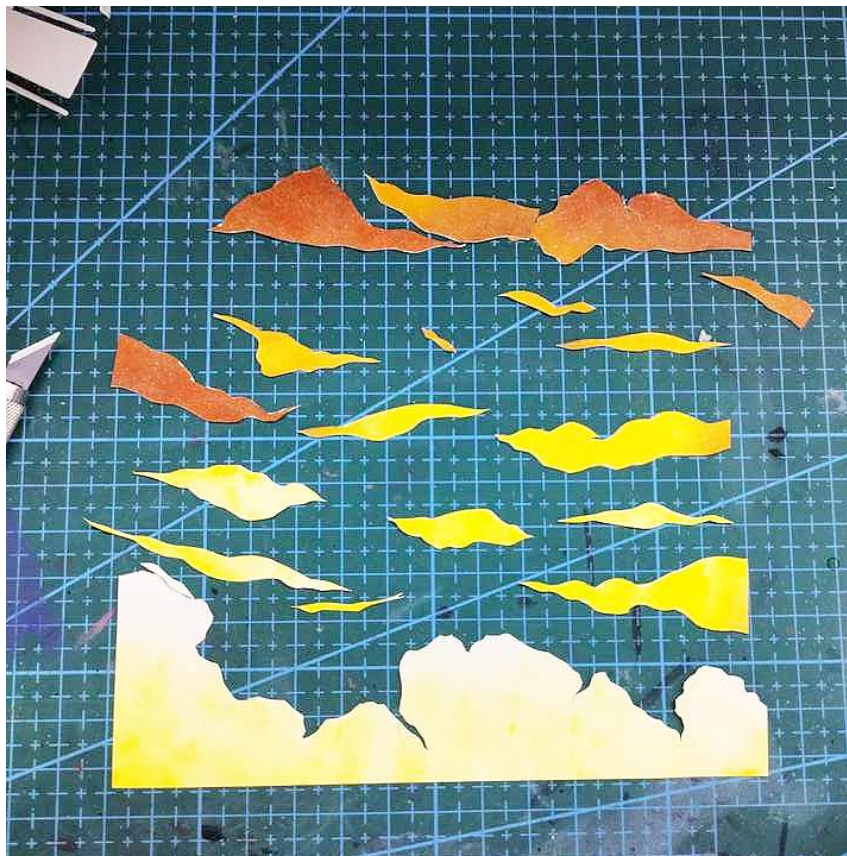

Get a piece of white cardstock and color with an ink pad to twilight

Step 5:

Outline the shape of the cloud with a pen and cut it out with scissors

Step 6:

Glue the cut out cloud to the first sky background card

Step 7:

Glue the painted city buildings to the card you just made
