Warm tips:

1. Make sure your iPhone is connecting to the Wi-Fi name "smartBox_XXXX" in the process of upgrading.

2. It takes 3-4mins to upgrade the firmware. The orange/green light is flashing until the upgrade is successful

3. Do not power off the CarPlay wireless Adapter during the upgrade.

4. If the Carless Adapter is working normally, DO NOT upgrade

How to Upgrade Firmware for Android

1. Please connect wireless CarPlay adapter to a USB power adapter.

2. Turn on your iPhone's WIFI and join the Wi-Fi named "smartBox_xxxx", and enter the password "888888888".

3. Visit http://192.168.1.101 in your Safari.
