FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

Erster Start
1. Öffnen Sie die Ladungsinformation auf Ihrem Gerät.
2. Setzen Sie die beiden Ohrhörer wieder in die Ladungsinformation ein und stellen Sie sicher, dass sich im Ladungsmodus befinden.

Zurücksetzen
1. Öffnen Sie die Ladungsinformation auf Ihrem Gerät.
2. Setzen Sie die beiden Ohrhörer wieder in die Ladungsinformation ein und stellen Sie sicher, dass sich im Ladungsmodus befinden.

Steuerung table listing functions like Answer Call, Play/Pause, and Volume Up/Down with corresponding touch actions.

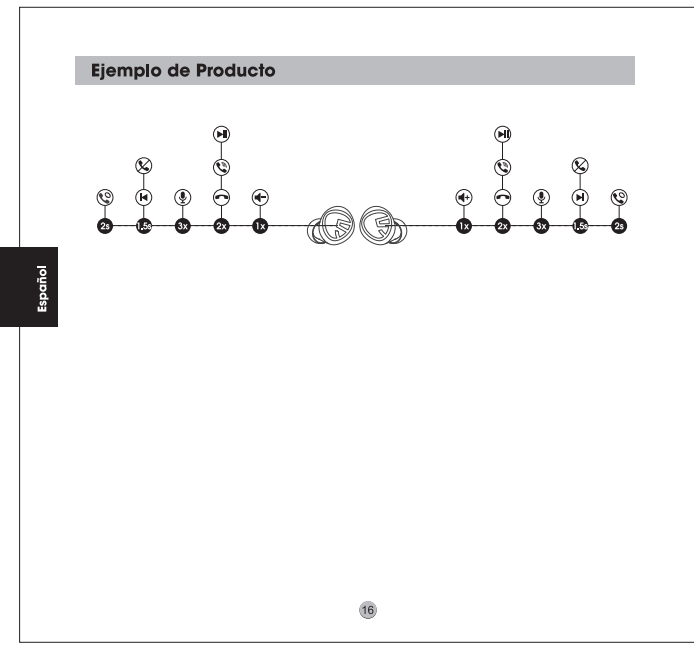

Q&A
F1: Was bedeutet die LED-Lichtfarbe des Ladecases?
A: Grün: 100% geladener Akku
Gelb: 40% geladener Akku
Rot: Niedrige Leistung

F2: Wie ladet man die Ladecase auf?
A: Verwenden Sie ein Typ-C-Kabel, um das Ladegerät zu laden. Verbinden Sie das Ladegerät mit dem USB-C-Kabel und laden Sie es.

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

Primer uso
1. Abra la pantalla de información de emparejamiento de su dispositivo.
2. Vuelva a colocar ambos auriculares en el estuche de carga y asegúrese de que se encuentren en modo de carga.

Reiniciar
1. Abra la pantalla de información de emparejamiento de su dispositivo.
2. Vuelva a colocar ambos auriculares en el estuche de carga y asegúrese de que se encuentren en modo de carga.

Control table listing functions like Answer Call, Play/Pause, and Volume Up/Down with corresponding touch actions.

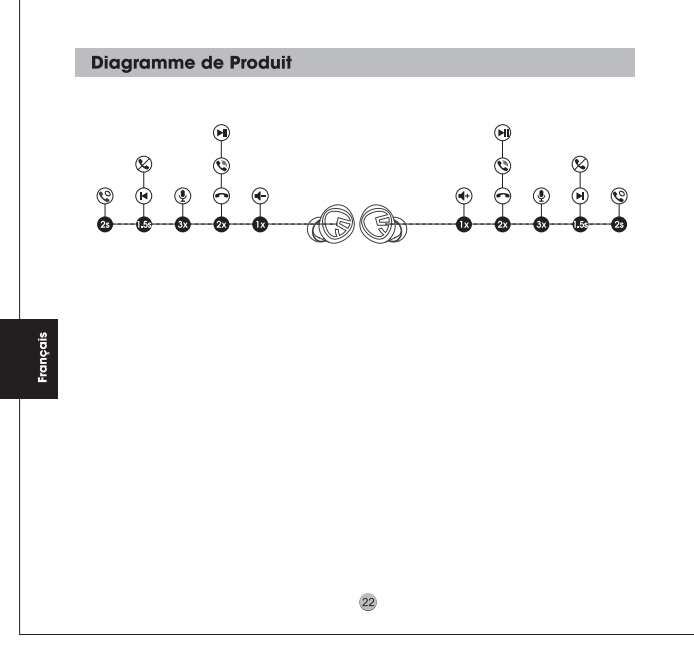

Q&A
F1: ¿Qué significa la luz del estuche cuando se carga?
A: Verde: 100% de batería cargada
Amarillo: 40% de batería cargada
Rojo: Bateria con poca carga

F2: ¿Cómo se carga el estuche de carga?
A: Conecte el cable de carga tipo C al estuche de carga y al cable USB-C. Conecte el estuche de carga al cable USB-C y cargue.

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

Première utilisation
1. Ouvrez l'écran d'information de mise en pair de votre appareil.
2. Remettez les deux écouteurs dans le boîtier de charge et assurez-vous qu'ils sont en mode de charge.

Reinitialisation
1. Ouvrez l'écran d'information de mise en pair de votre appareil.
2. Remettez les deux écouteurs dans le boîtier de charge et assurez-vous qu'ils sont en mode de charge.

Contrôle table listing functions like Answer Call, Play/Pause, and Volume Up/Down with corresponding touch actions.

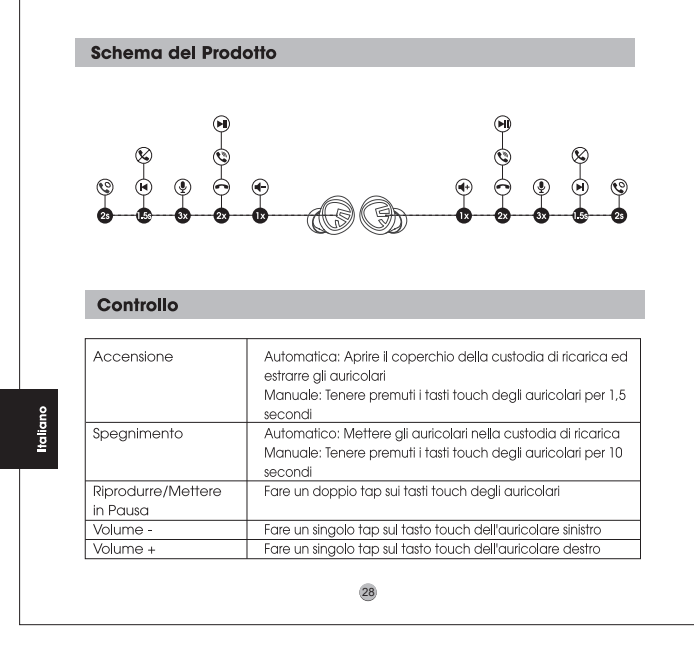

Q&A
Q1: Que signifient les différentes indications des voyants ?
A: Vert: 100% de batterie chargée
Jaune: 40% de batterie chargée
Rouge: Batterie avec peu de charge

Q2: Comment recharger le boîtier de charge ?
A: Utilisez un câble de charge type C pour recharger le boîtier. Connectez le boîtier de charge au câble USB-C et chargez.

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

Primo utilizzo
1. Aprire lo schermo delle informazioni di associazione al dispositivo.
2. Rimettere i due auricolari nel vano di ricarica e assicurarsi che siano in modalità di carica.

Reinizia
1. Aprire lo schermo delle informazioni di associazione al dispositivo.
2. Rimettere i due auricolari nel vano di ricarica e assicurarsi che siano in modalità di carica.

Controllo table listing functions like Answer Call, Play/Pause, and Volume Up/Down with corresponding touch actions.

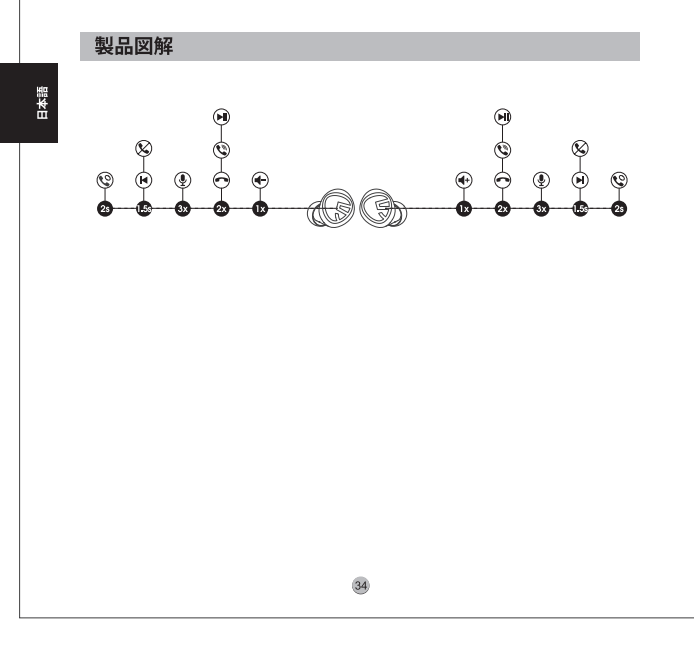

Q&A
Q1: Cosa significa la luce dello stuche quando è carico?
A: Verde: 100% di batteria carica
Giallo: 40% di batteria carica
Rosso: Batteria con poca carica

Q2: Come ricaricare la custodia di ricarica?
A: Collegare il cavo di ricarica tipo C al vano di ricarica e al cavo USB-C. Collegare il vano di ricarica al cavo USB-C e ricaricare.

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

初めての使用
1. デバイスの画面にペアリング情報を開きます。
2. 両イヤホンが充電モードであることを確認し、充電ケースに両イヤホンを入れて充電モードにします。

リセット
1. デバイスの画面にペアリング情報を開きます。
2. 両イヤホンが充電モードであることを確認し、充電ケースに両イヤホンを入れて充電モードにします。

操作 table listing functions like Answer Call, Play/Pause, and Volume Up/Down with corresponding touch actions.

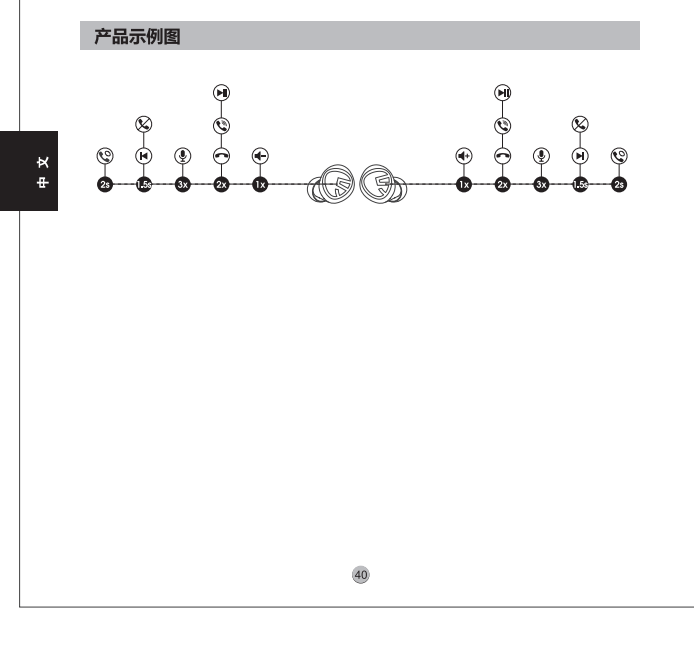

Q&A
Q1: 充電ケースのLEDインジケータースタtusは何を意味しますか?
A: 緑色: 100%充電完了
黄色: 40%充電完了
赤色: 充電不足

Q2: 充電ケースをどのように充電しますか?
A: Type-Cケーブルを使用して充電ケースを充電します。充電ケースをUSB-Cケーブルに接続して充電します。

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized digital devices operating in the adjacent frequency band.

首次使用
1. デバイスの画面にペアリング情報を開きます。
2. 両イヤホンが充電モードであることを確認し、充電ケースに両イヤホンを入れて充電モードにします。
