

▶▶ CONTENTS OF PACKAGE

- 1 Speaker
- 1 Remote control
- 1 Wireless microphone
- 1 Instruction manual
- 1 Shoulder strap
- 1 Power cable

NOTE:

- Bluetooth connection method: Turn on the speaker, press the 'M' key on the speaker panel, and the screen will show 'BLUE'. Use your phone to connect the Bluetooth of the speaker. The Bluetooth name is VS-0803. If the connection fails, please restart the device or the phone and try again. The use range of the Bluetooth is 32ft in the open area.
- Music files in USB and TF cards should be formatted as FAT32 on the computer. Copy MP3 or WMA music files to USB/TF cards. It is recommended to delete unnecessary files and folders to speed up card reading and reduce card reading problems.
- The charging time should be 6 ~ 8 hours. After being fully charged, unplug the power supply to avoid damage to the battery due to long-term charging. If the battery is used out, please recharge the battery within 48 hours. Do not leave the empty battery for a long time, otherwise the battery will be damaged.

MADE IN CHINA

Please read the instructions carefully before use
