CERTIFICATE OF LISTING

 IAPMO Research and Testing, Inc. is a product certification body which tests and reports compliance from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and operations as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the Administrative Table and shall not be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product except as authorized by applicable listing jurisdiction.

Effective Date: August 2013 Void After: August 2016
Product: Plumbing Fixture Fittings File No. 6137
Issued To: **Kaiping Heart Cartridge Co., Ltd.**
No. 28 Heilman Dony Road,
Shilong Town,
Kaiping City, GUANGDONG
China

Identification: Plumbing supply fittings complying with this Standard shall be marked with the manufacturer's recognized name, trademark, or other mark or, in the case of private labeling, the name, trademark or other mark of the customer for whom the fitting was manufactured. The marking shall be accomplished by use of a permanent mark or by placing a permanent label on the product. Markings on plumbing supply fittings shall be visible after installation.

Single-handle, single-control, and automatic compensating mixing bath and shower valves shall have identifiable temperature control settings in which the settings are indicated by words ("cold", "warm", "hot", etc.), by numbers, or graphically.

Packages shall be marked with the manufacturer's name, trademark, or other mark as well as the model number or, in the case of private labeling, the name, trademark, or mark of the customer for whom the fitting was manufactured as well as the model number.

 
Chairman, Product Certification Committee CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any violation of manufacturing practices, may result in the listing being voided. This listing is subject to the conditions set forth in the Administrative Table. Production of or reference to this listing for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
