

**1** Unfasten the carry bag take out all component parts.

**2** Lift the main frame off the ground and open it as shown by the arrows until it automatically locks. Make sure the button is fully locked like in figure 2.

**3** Adjust the feet so they're flat on the ground.

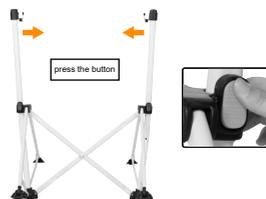

**4** Make sure legs and side frames are completely extended

**5** Buckle in the security strap in the middle and around the frame.

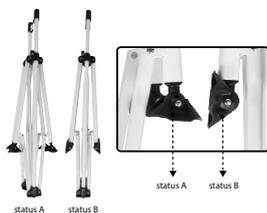

## How to fold

**1** Remove the chair and cup holder.

**2** Press in the upper part of the button and push the frame in until it's fully closed.

**3** Adjust the feet from status A to B to save more space and protect the plastic feet.

**4** Wrap the chair on the outside of the stand and put it into the backpack together.

**DESIGNED, BUILT AND TESTED  
IN THE WILD,  
FOR THE WILD.**
