

To Unfold:

1 Remove the table top and frame from the carry bag.

2 Place the frame facedown on the floor, Pull the four legs outwards and facing up until fully extended.

3 Flip the table up and adjust the height using the yellow level. Make sure to lock in place when reached a desired balance.

4 Slide in the tabletop at one end and press down the other end to click into place.

*A separate mesh shelf is included.

To fold:

1 Pull up the table top at one end and slid out at the other end.

2 Flip the table frame and push down the four legs and close the side.

3 Place each part into a separate chamber in the carry bag, to avoid scratch during transportation.

DESIGNED, BUILT AND TESTED
IN THE WILD,
FOR THE WILD.
