BOTZEES

CREATE, PROGRAM & PLAY!

LED KiT

Instruction Manual

Welcome to Botzees LED Kit!

Botzees LED Kit is an add-on pack that comes with a 11*8 LED lattice screen. The LED board can be programmed through our FREE Botzees app to display fun rolling texts and colorful patterned designs. Use our special blocks, the main control block, and the sensor from the previous Botzees package together with the LED board to create two new pre-designed robots and discover more fun.

Android os 6 and above

Download on the
App Store

ANDROID APP ON
Google play

2. Connect to Bluetooth

1 Open the app and choose the character you want
to play with. After building, click on the connection
icon at the top right. The icon is grey when the
Bluetooth is not connected.

2 Be sure that Bluetooth is activated on the electronic
device you are using.

**3** Turn on the power on the back of main control block.

4 Keep your electronic device within 20cm of the main control block to connect.

5 When ✅ appears, then you have successfully connected the device with main control block.

6 The connection icon at the top right turns blue after a successful connection.

## 3. Connect the Bluetooth audio

1 Click on the connection icon at the top right.

2 Click on "How to connect".

3 Go to "Settings" on your electronic device and tap "Bluetooth."

4 The electronic device will search the Audio bluetooth automatically. Then click on "Pai_Audio_xxxxxx" to connect.

5 Device status will show "connected" on the page when successfully connected.

Limited Warranty information

Who is covered:
This warranty is extended only to the original end-use purchaser or the person receiving the product as a gift, and shall not be extended to any other person or transferee.

What is covered/For how long:
Unless a different warranty period is stated in the Owner's guide provided with your Pai product, for a period of under 1 year for anything that may be incorporated into this product from the date of retail purchase by the original end-use purchaser, Pai warrants that this product, when delivered to you in new condition, in original packaging, from a Pai authorized reseller and used in normal conditions, is free from any defects in manufacturing, materials and workmanship.

What is not covered:
This warranty does not cover defects resulting from improper or unreasonable use or maintenance; failure to follow operating instructions; accident; excess moisture; insects; lightning; power surges; connections to improper voltage supply; unauthorized alteration or modification of original condition; damages caused by inadequate packing or shipping procedures; loss of damage to or corruption of stored data; damage caused by use with non-Pai products; product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications; and products purchased from unauthorized dealers.

What we will do:
During the warranty period, we will, at our sole option, repair or replace (using new or refurbished replacement parts) any defective parts within a reasonable period of time and free of charge.

What you must do to obtain Limited Warranty Service:
Return product, with proof of purchase from an authorized dealer. Please contact Pai Technology at customerservice@pai.technology for specific return and shipping instructions.

Other conditions:
The provisions of this limited warranty are in lieu of any other warranty, whether expressed or implied, written or oral, including any warranty of merchantability or fitness for a particular purpose. Pai corporation's

maximum liability shall not exceed the actual purchase price paid by you for the product. In no event shall Pai be liable for loss of, damage to, or corruption of stored data, or for special, incidental, consequential, or indirect damage howsoever caused including, without limitation, the replacement of equipment and property, and any costs of recovering, programming, or reproducing any program or data stored in or used with your Pai product.

This warranty is void if the label bearing the serial number has been removed or defaced.

Other legal rights:

This limited warranty gives you specific legal rights, and you also may have other rights that vary from state to state or country to country. Some places do not allow limitations on implied warranties or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Regulatory Conformance Hereby, PAI TECHNOLOGY LIMITED declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.

Taking care of your product

1. The product is not suitable for children under 3 years old.
2. Do not dismantle the LED lattice screen block.
3. Do not squeeze or apply excessive pressure on the product surface, otherwise it may cause product deformation or damage.
4. Do not place the product in or around heating equipment or Ignition sources, or anywhere the humidity is higher than 60%.
5. Clean the product with a soft, dry cloth. The product should not come into contact with water.

meets **ASTM F963, CPSIA, EN71 & ROHS** related standard.
