Smart Cat Toilet

* Please read this manual thoroughly before use and keep it in a proper way.

1 Information For Users

Dear users, thank you for purchasing Smart Cat Toilet, we are committed to “Be With Pet” ! Before use, please read the instructions in this manual, thank you for your understanding and cooperation, wish you a happy life!

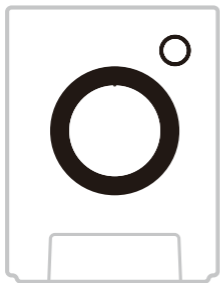

Attention:

- This product can only be operated in accordance with the instructions in this manual, please do not take any action other than this instruction, which may cause abnormalities to the device.
- 6 months of age / under 1.5KG weight young pets are not allowed to use this device.
- Children under 8 years of age are not allowed to operate the appliance and children over 8 years of age should be guided by an adult.
- Please use in an indoor environment, do not place in direct sunlight and keep away from fire sources.
- This product operates at a low voltage, but damage to the electrical cord such as tearing by pets may still cause leakage, so please dispose of the power cord reasonably to avoid accidental damage.
- Please keep it horizontal and do not tip it over to avoid litter leakage, inaccurate weighing or abnormal equipment.
- Do not immerse or soak the bottom of this product in water.
- If you are away from home for an extended period of time, please ensure that there is sufficient litter left in the bucket and that the drawer is cleaned out.
- Please use the original power cord as this may cause damage to the appliance and other safety hazards.
- If the power cord or plug is damaged, please stop using it immediately! Please contact our after-sales service for a replacement.
- Please ensure that the power cord is properly positioned so that it cannot be stepped on, tugged on or crushed.
- Do not bend or twist the power cord to prevent it from overheating or being damaged.
- If the product is not used for an extended period of time, please disconnect the power cord.
- Do not touch the plug or switch with wet hands to prevent electric shock.
- Do not disassemble, modify or repair the product by yourself, otherwise it is considered as a waiver of all warranty and service rights.
