

How to start a meeting on Skype for Business?

After connecting your eMeet M2 Max to the computer, you can start your meeting on Skype for Business as the following steps:

1. Click the lower left button to **select your primary device**.
2. Or click the **audio device settings** to enter the setting interface.

3. Select the "Audio Device" option, then set the microphone and speaker to “Echo cancellation speakerphone eMeet M2 Max”.
