

VELPEAU®

Clavicle
Brace
VP0303

[Product Name] : Clavicle Brace (Posture Corrector Brace)

[Product Code] :

VP0303-S VP0303-M VP0303-L VP0303-XL

[Product Specifications] :

Size	Product code	Color	Shoulder width (inch)
S	VP0303-S	White	10"-13"
M	VP0303-M		13"-15 1/2"
L	VP0303-L		15 1/2"-19"
XL	VP0303-XL		19"-23"

[Product Features] :

- This product utilizes the Figure 8 bandage design principle for clavicle and shoulder recovery after injury or surgery.
- It features three T-shaped buckles and hook & loop (Velcro) fastens for easy adjustment and customization of the clavicle strap's direction.
- The shoulder straps and back pads are equipped with sponge straps for skin-friendly, breathable, and sweat-absorbent comfort.
- The straps help align the fractured bones by correctly promoting proper shoulder alignment.

www.velpeau.com

[Applications] :

- For clavicle fracture, reduction and fixation of shoulder injuries or after surgery.
- Acromioclavicular dislocation.
- Scapular fractures.
- Correct shoulder posture to prevent hunchback.

[Product Compounds] :

Polyurethane, Sponge, Felt fabric, Polyamide, Hook and loop fastener, Plastic rings, etc.

[Instructions] :

- Begin by threading the two shoulder straps through the clasps and securing them on the outside of the straps.
- Slide one arm through the loop and then repeat with the other arm, positioning the product on the shoulders.
- Use the hook and loop on the shoulder strap to adjust the tightness as needed, ensuring a comfortable and tension-free fit.
- For a step-by-step guide on how to wear the product, visit our official website at www.velpeau.com and watch the comprehensive instructional video.
