

VELPEAU®

Shoulder Sling
VP0304

[Product Name] : Shoulder Sling (Shoulder Support Brace)

[Product Code] :

VP0304-S VP0304-M VP0304-L VP0304-XL

[Product Specifications] :

Size	Product code	Bust (inch)	Left/Right
S	VP0304-S	23 1/2"-29 1/2"	Fits both
M	VP0304-M	27 1/2"-35 1/2"	
L	VP0304-L	35 1/2"-47 1/4"	
XL	VP0304-XL	>47 1/4"	

[Product Features] :

- This product effectively immobilizes the shoulder joint.
- It features a high-strength and skin-friendly hook and loop closure, allowing for easy on and off and adjustable tightness for a customized fit.
- The entire product is filled with soft sponge material, ensuring comfort and is also suitable for sleep.
- Includes a convenient small storage bag.
- Designed with perforated fabric for enhanced ventilation.
- Neoprene-free and latex-free, preventing skin irritation.
- Can be worn on either the left or right arm.

www.velpeau.com

[Indications] :

- Shoulder joint trauma, rheumatoid diseases and postoperation.
- Injury and postoperation of rotator cuff, acromioclavicular joint or clavicle.
- Support for nerve paralysis or arm hemiplegia.

[Applications] :

- Proper sizing can be achieved by following the wear step diagram in the manual or watching the detailed wearing video on the official website www.velpeau.com.
- It is important to check the strap tightness to ensure stability. Avoid making it too tight, which can restrict blood flow and hinder wound healing, or loose, which may result in inadequate support.
- The product is designed for easy assembly and disassembly, requiring simple attachment or detachment of the hook and loop fasteners.

[Product Compounds] :

Polyester, Cotton, Nylon, Polyurethane.
