

LED Loading Dock Light

DESCRIPTION

Romanso led loading dock light is designed for a variety of warehouse and work space conditions, led loading bay dock lights used to illuminate the full length of truck trailers.

These dock light fixtures increase safety during loading and unloading.

KEY FEATURE

20W/30W/40W/50W

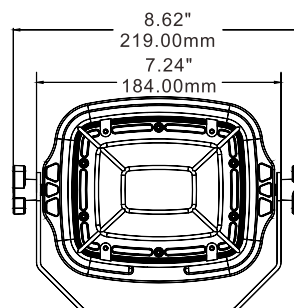

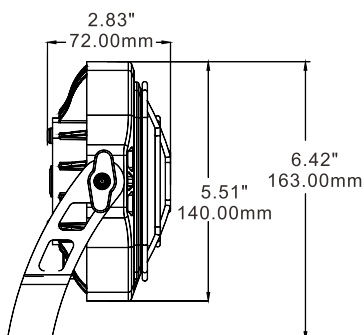

- Using Epistar LEDs, high lumens up to 140LPW
- Safety yellow rugged cast aluminum housing
- Come with an on/off switch on the light head for easy operation
- High light transmittance PC cover
- Anti-corrosion stainless steel cage with good impact resistance
- High reliable constant current LED driver
- Available in multiple swing brackets optional
- ETL/cETL/FCC/CE/RoHS approved
- >50,000 hours lifespan, offer 5 years warranty

SPECIFICATION

| Item NO. | Watt | Total Lumens | Dimension | Beam Angle | LED Brand | CCT | Input Voltage | CRI | Power Factor | IP Rating |
|-------------|------|--------------|---------------|------------|-----------|---|------------------------|------|--------------|-----------|
| RMS-L200120 | 20W | 2800LM±10% | Φ219*163*70mm | 30° | Epistar | 3000K 4000K 5000K 5700K 6500K | AC100-277V, 50-60Hz | ≥70+ | ≥0.9 | IP65 |
| RMS-L200130 | 30W | 4200LM±10% | | | | | | | | |
| RMS-L200140 | 40W | 5600LM±10% | | | | | | | | |
| RMS-L200150 | 50W | 7000LM±10% | | | | | | | | |

DIMENSION

Unit: inch/mm

DETAILS

1/ Lumens effect up to 140LPW

Using Epistar LED, has a higher junction temperature, extend lifetime and lower light degradation.

EPISTAR

2/ 30° PC Lens

It is spot lighting for longer irradiation distance, suitable for illuminate the full length of truck trailers.

4/ Hand twists screw

Bracket is adjusted for different lighting direction by fixed screw

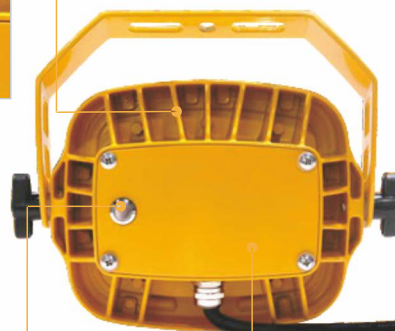

3/ Stainless steel cage

Durable design with good impact resistance, anti-corrosion

5/ Safety yellow aluminum housing

Die-cast aluminum housing with fin design for excellent cooling effect

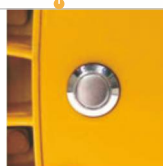

6/ Connector design

Come with 1ft(300mm) regular waterproof connector; 120V grounded US plug is optional

7/ ON-OFF switch button

Built-in switch to control on-off condition, easy operation and more convenient

8/ OEM label service offered

Offer customized label design can be laser on the back side of lamp
