

**Let's start!**

**Take out your prepared With Cutting Dies**

**Step 1:**

**Cutting out the shapes of Little Monsters with a cutting machine**

**Step 2:**

**Colour each monster with a marker**

**Step 3:**

Create a background border using black cardstock and a rectangular square background border cutting die

**Step 4:**

Paste the little monsters one by one into the little squares in the background.

**Step 5:**

Use some of the leftover scrap cardstock from our other cutting dies cards make small decorations.

**Step 6:**

If there are any small squares left, add some tags to them
