### ABOUT US

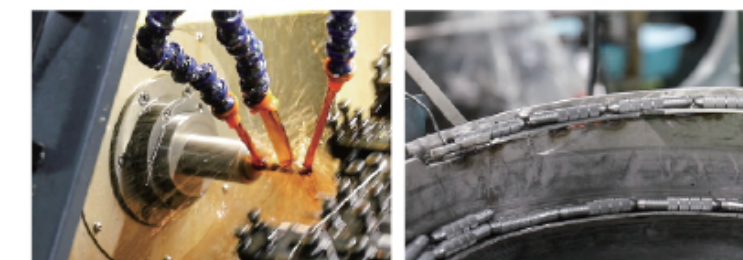

Cyeelife Sports Co., Ltd, established in 2012, with a factory area of 1300 square meters and 20 employees. It is an enterprise specializing in the development and production of darts, dart accessories, dartboard, and dart surround.

We have our brand -- CYEELIFE.

After years of development, our company has accumulated rich experience in sales and after-sales service. All our products meet the international quality standards and are highly appreciated in different markets all over the world. Our products are exported to the United States, Canada, Australia, Japan, Germany, Spain, and other countries and regions. At the same time, welcome OEM service. The parameters can be designed and manufactured according to customer requirements.

We are committed to providing you with a fast response, best quality control, and competitive price. Our efficient team also provides innovative designs to help you develop what you want, arrange production and shipment.

If you are interested in our products, please feel free to contact us. We are looking forward to your presence and cooperation.

# NICKEL PLATED SOFT DART BARREL

Which allows the darts to be aggressively knurled, giving a non-slip grip over the entire length of the barrel.
