SOFT DART TIP

4 DESIGNS(SHAPES) & 3 LENGTHS.

SOFT DARTBOARDS

Enjoy all the fun of tournament darts.

ZD-01A

18IN SOFT DARTBOARD

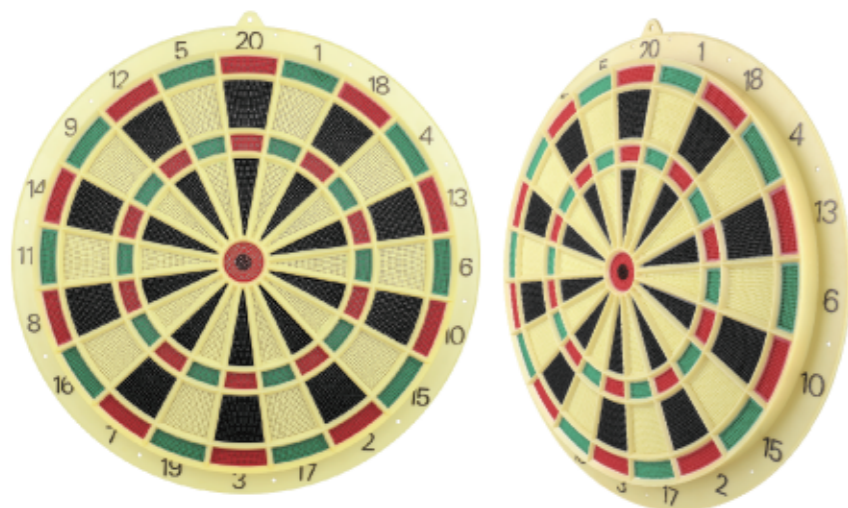

This is a classic style Dartboard for soft darts (No LED and Automatic scoring and Electronic module, Just for soft tip darts set). We want to make the game easier. It's perfect for home and office use, for exercise and relaxation. We redesigned the colors of each part, the green for Men and the pink for Ladies.

ZD-01B

13.5IN SOFT DARTBOARD

Two ways to install - Build-in Metal bracket for table-top play or reinforced nail hole for wall mounting. The dartboard made of PA material, has strong resilience and easy to grip the darts.

ZD-01C

SOFT DARTBOARD

This is new style Dartboard for soft darts (No LED and Automatic scoring and Electronic module, Just for soft tip darts set).

ZD-01G

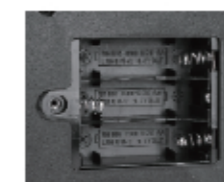

ELECTRONIC SOFT DARTBOARD

The square enlarged panel more widely protects the wall from darts. Single and double bull eye switching. There are 3 dart jacks on both sides of the dartboard. 9 levels adjustable volume (including mute) man-machine combat. Chinese / English / German voice broadcasting

▶ Battery / Power dual purpose

ZD-01E

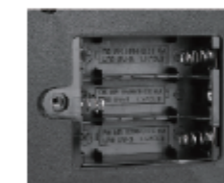

LED SCORING DISPLAY DARTBOARD

Regulation-sized 15.5" electronic dartboard the target area is incredibly durable with precision engineered concave segment holes that lock in your shots. The simple display makes setup quick and the automatic scoring tracks all of your throws for you with over 320 scoring options and up to 8 player multiplayer.

▶ Battery powered

ZD-01F

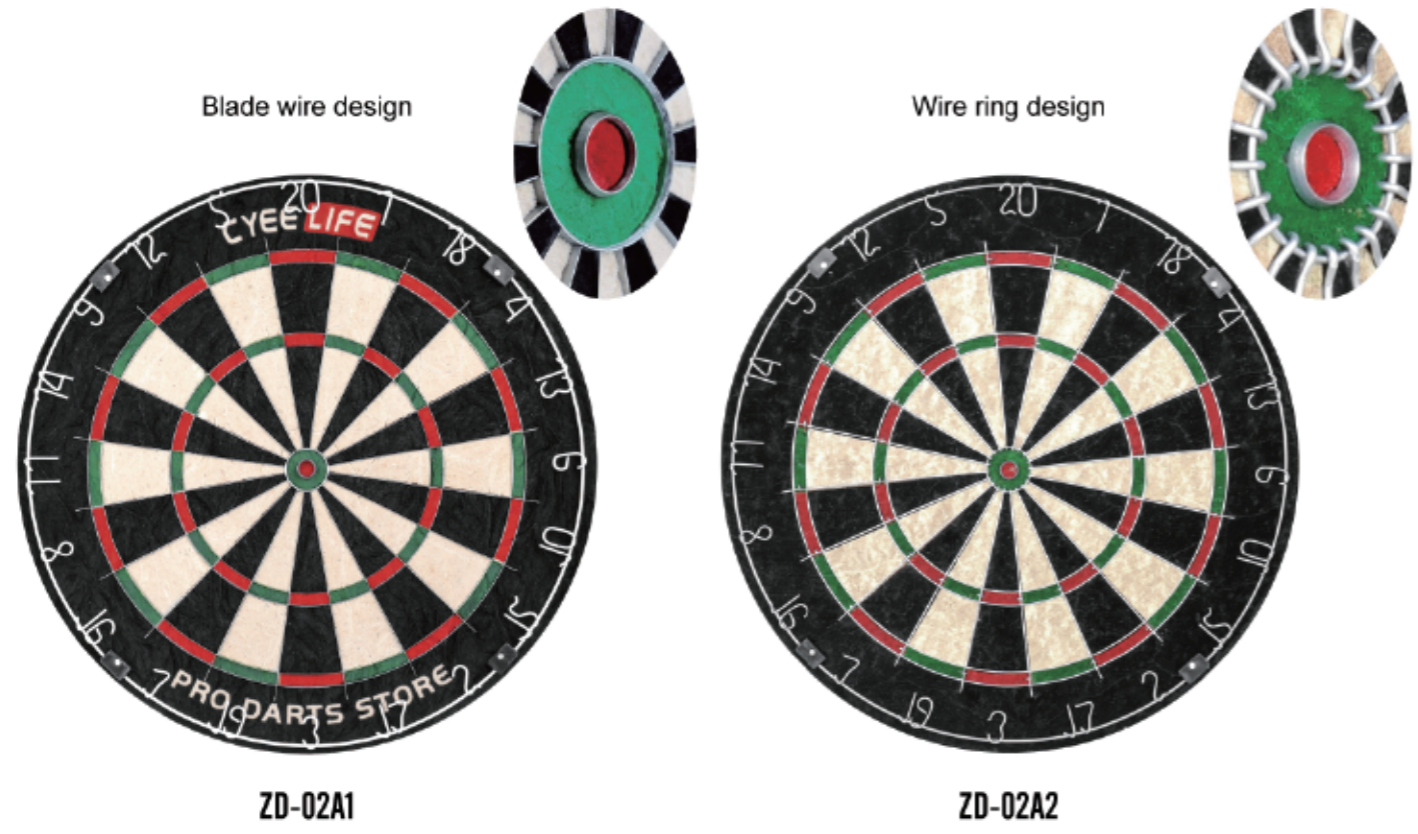

ELECTRONIC LUMINOUS SOFT DARTBOARD

Luminous dartboard segments provide a fresh and invigorating darting experience with the brand new games while enhancing classic favorites. Target-tested tough segments stand up to heavy use and withstand your toughest throws again and again.

▶ Battery / Power dual purpose

SISAL BRISTLE DARTBOARD

This product is made of sisal imported from Kenya, which can effectively reduce pinhole trauma and has strong recovery.

DOUBLE SIDED FLOCKING DARTBOARD

DARTBOARD SURROUND

The dart surround can protect walls and floors from damage, and protect the tips of darts. Inner diameter is 17.5inch; outer diameter is 27.5inch; thickness is 1.5inch.
