# HOW TO CARE FOR YOUR SILK PILLOWCASE

## WASHING

- **Hand Wash:**  
Gently scrub the pillowcase in water under 85°F with PH-neutral detergent.
- **Machine Wash:**  
Wash the inner side of the pillowcase in a wash bag.

## DRYING

- Hand the silk pillowcase in a cool and ventilated place.
- Do not use a dryer and avoid direct sunlight.

## IRONING

- Use an iron to remove wrinkles. A fabric brush is recommended.
- Use the lowest heat setting under 230°F, or the special silk setting if available.

## PRESERVING

- Do not store your silk pillowcase in a place of humidity and excess sunlight.
- Do not store your silk pillowcase along with sanitary balls or mothballs.
